# MISSION STATEMENT

HR TECH Valley is a **community of HR TECH Stakeholders** who share the belief in HR Technology as a means of **enabling organizations to focus more on its people.**

# Masterminds

**Joris Peumans**  
Founder

Joris originates from a family of entrepreneurs in HR. He entered the HR TECH Industry early, in 1999.

As a Business Owner and Investor in HR TECH, he is always interested in helping new Technologies tackling future challenges.

**Ben Greeven**  
Founder & CEO

Ben is the most experienced member of our team and he is one with a disruptive mind.

We refer to him as our HR Tech Guru (which he does not like) because of his in-depth knowledge of worldwide HR Tech.

**Hans Mangelschots**  
Business Manager

As a former HR TECH *Startupper*, Hans is an HR TECH & Trends analyst who connects the dots in HR.

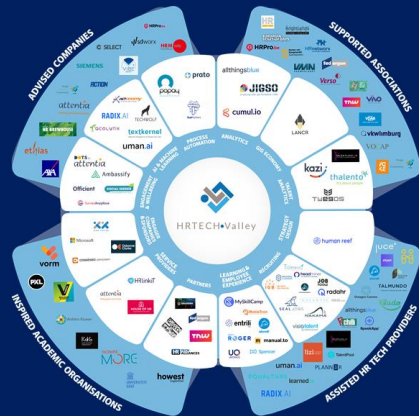

Being passionate about HR4.0 or “Why HR Technology is about People”, he sees the big picture and considers future challenges as an opportunity.
