5th HR innov & Tech Day (19/5/2022) : 10 % discount for HR Tech Valley members.

Extra incentives for all HR Tech providers who order as an early bird.

The HR innov & Tech Day is the first and ultimate Belgian (trilingual: NL, FR & ENG) reference event for innovative HR and HR Tech. It is powered by HRMinfo.

The event will, just like the previous edition, have the support of HR Tech Valley.

HR Tech providers (and other innovative suppliers of HR services and software solutions) can participate in the elevator pitch, present a demo, give an inspiring talk in the speaker's corner, being an exhibitor or a sponsor of the event (they can of course combine several of these commercial formulas concerning the event).

The fifth edition of the event, which will be an anniversary edition, will take place on 19/5/2022. This will mainly be a physical/live edition, and partly a hybrid one (with some parts that will also be virtual. The 2021 edition was 100% virtual).

You may now be thinking 'no stress, there is still plenty of time'.

That may be true, but not if we tell you that the number of registrations for each of those formulas is limited and the 'first come, first served' principle applies.

Early birds also benefit from the 2021 rates and additional discounts.

The earlier you register for one or more of our commercial formulas, the greater your discount.

The first 20 subscribers to one of the commercial formulas also benefit from an extra 5% discount.

If you do so before July 1st, you can also join us for free (with 1 person) on our [3rd summer barbecue on 2/9/2021](#) or in the afternoon programme of the 9th HRM Inspiration Day on 25 November 2021 (at Tour & Taxis in Brussels).

Those who order at least two components of our commercial package before July 1st or subscribe to sponsoring the event, which includes a booth, also enjoy the following extra incentive: free sponsored article for one month on the homepage of HRMinfo.eu + dedicated mail with the same content to our database of + 25,000 HR professionals (value: 2750 euros + VAT).

Until 15/10/2021, the 2021 prices apply.

HR Tech Valley members benefit from an additional 10% discount until then, but still from a 10% price reduction on the 2022 rates after that.

For the programmes, as well as the names of all commercial partners (sponsors, pitchers, commercial presenters) of the previous editions of the event, take a look at: [virtual edition 2021](#), [edition 2019](#), [edition 2018](#).

For more info (details and prices): sales@HRMinfo.net with 'HR Innov & Tech Day 2022' as subject.

P.S. Is your company and its HR Tech solution already listed, free or paying, in www.HRtechDirectory.eu?
