MISSION STATEMENT

HR TECH Valley is a **community of HR TECH Stakeholders** who share the belief in HR Technology as a means of **enabling organizations to focus more on its people.**

Masterminds

Joris Peumans
Founder

Joris originates from a family of entrepreneurs in HR.
He entered the HR TECH Industry early, in 1999.

As a Business Owner and Investor in HR TECH, he is
always interested in helping new Technologies
tackling future challenges.

Ben Greeven
Founder & CEO

Ben is the most experienced member of our team
and he is one with a disruptive mind.

We refer to him as our HR Tech Guru (which he does
not like) because of his in-depth knowledge of
worldwide HR Tech.

Hans Mangelschots
Business Manager

As a former HR TECH Startupper, Hans is an HR
TECH & Trends analyst who connects the dots in HR.

Being passionate about HR4.0 or “Why HR
Technology is about People”, he sees the big picture
and considers future challenges as an opportunity.
